

# STAND YOUR GROUND

## Painted Floor

Think of your floor as a fifth wall just waiting for fresh color. Use Porch & Floor paint in a peaceful blue-green to keep stress at bay.

### You'll Need:

---

Dutch Boy® Porch & Floor paint	Paint tray and liners
Angled paint brush	Painter's tape
Woven roller cover and roller frame	Clean, damp cloth

### Here's How:

---

- Step 1** After thoroughly cleaning floor, wipe surface with clean, damp cloth.
- Step 2** Affix painter's tape to baseboards and any adjacent flooring not to be painted.
- Step 3** Using the angled brush, apply paint just inside taped areas and then use the woven roller to paint the remaining floor area.
- Step 4** Remove painter's tape while paint is still damp; allow paint to dry 24 hours.
- Step 5** Affix painter's tape as directed in Step 2; apply a second coat of paint in the opposite direction of the first application.
- Step 6** Remove painter's tape while paint is still damp; allow paint to dry, following suggested drying time on the can label.
